# ADS CONTROLS (Manufactures)

## Automatic Pump Controller

(Level Controllers)

- Features :-
- 1) Save Water
  - 2) Save Electricity bill.
  - 3) Avoid Overflow of upper tank.
  - 4) Dry run prevention.
  - 5) Single phase prevention.
  - 6) Auto manual switches.
  - 7) Pump 1/ Pump 2 switch.
  - 8) Easy to installed.
  - 9) Economical.

Applications :- Buildings, Bungalows, Hostels, Hospitals,  
Sewage pumps, wells, booster pumps etc.

## Micro Pump Controller

- Features:-
- 1) Fully Automatic Pump Controller
  - 2) Digital display for current, upper tank, lower tank, fault indication.
  - 3) Password protection.
  - 4) Automatic cyclic changeover of pump operation
  - 5) Auto/manual, pump 1, pump2 switches, reset switch.
  - 6) Under current, Over current , Short circuit protection
  - 7) Easy to installed.

Applications :- Buildings, Bungalows, Hostels, Hospitals,  
Sewage pumps, wells, booster pumps etc.

## Tank Level Indicator

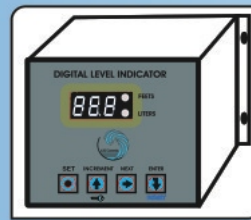

- Features :-
- 1) Monitoring the level in the tank.
  - 2) LED indication for level.
  - 3) High level / low level alarm
  - 4) Easy to installed.

Applications:- Overhead water tanks, Multiple tanks, Fire tank,  
Underground tank, water management for Multi overhead Tanks

## Digital Level Tank

- Features:-
- 1) Micro controller base
  - 2) Digital tank level Indication.
  - 3) Display the level in the tanks in feet.
  - 4) Display the Level in the tanks in litre.
  - 5) High/Low level Alarm / Reset with 3 core cable and Magnetic Sensors.

Applications:- Overhead water tanks, Multiple tanks, Fire tank,  
Underground tank, water management for Multi overhead Tanks

## Borewell Panel Digital Microcontroller Base

- Features :-
- 1) Auto pump controller / Digital display
  - 2) Password protection
  - 3) On/ Off timers
  - 4) Under Current, Over current protections.
  - 5) Short circuit protection
  - 6) Dry run protection
  - 7) Easy to installed.

Applications :- Borewells, Ringwell, Booster pump  
Dewatering pumps, buildings, bungalows

## Digital Pump Control Panel (MPCP)

- Features:-
- 1) Auto system with Micro control base control panel with under current, over current protection Dol or star delta starting R, Y, B Indications Voltmeter
  - 2) code lock
  - 3) Dry run protection in built starter for 1 pump or 2 pumps.
  - 4) Auto change over operations of 2 pump

Application:- Multistage or High rise Buildings,  
Industries, Hospitals, Society, Bungalows

## Time Switch

- Features :-
- 1) Digital Micro controller Base Timer switch with 2 on/ off Timer setting.
  - 2) Easily programmable and Precise Control
  - 3) Easy to Install, Easy to Operate
  - 4) Saves Electricity, reduces bill

Applications :- Automatic on/ off of street light, Garden Lights, staircase light, water pumps by clock timer.

DG Panel

Fire Panel

Bus Bar Panel

## Authorised Dealers

**C.R.I. PUMPS**  
Pumping trust. Worldwide.

Enriching Lives  
**Kirloskar Pumps**

Laxmi Sales  
and services

- 1) Mini pumps / Booster Pumps
- 2) Monoblock Pump
- 3) Openwell Submersible Pumps
- 4) 4", 6", 8" Submersible Pumps
- 5) Vertical Openwell Pumps
- 6) Vertical Multi Stage Pumps
- 7) Pressure Boosting System
- 8) Dewatering / Sewage Pumps
- 9) Fire Fighting Pumps

## LAXMI SOLAR

Solar Pumps • Solar Water Heater • ETC/FPC & Solar Home Lighting  
Solar Street Light • Solar Rooftop • Ongrid /Offgrid • Hybrid System

**Solar pump**

**Solar water heater (FPC)**

**Solar water heater (ETC)**

**Street Light**

## SERVICE CENTER

### Rewinding & Repairs

**ADS Controls** is fully equipped to offer fast and reliable pump repairs and a maintenance plan to not only maintain the efficiency of your pump unit, but also prolong its service life.

We have a well-equipped service centre, in which to undertake repair work and pump overhaul services on all process and Submersible Pumps according to proven methodologies and OEM specifications using quality equipment and skilled workmanship, ensuring that downtime is kept to the absolute minimum.

Our broad range of capabilities as well as spares availability and an advanced testing facility ensures that you receive maximum value throughout the repair process and beyond, allowing you to get the most out of your pump unit.

**Submersible Pumps up to 200 hp**

**Monoblock Pumps**

**Borewell Submersible Pumps 4", 6", 8"**

**Fire Fighting Pumps And Panel**

**Dewatering, Sewage Pumps**
